OFFICE OF FINANCIAL AID • UNIVERSITY OF MICHIGAN • 2500 STUDENT ACTIVITIES BLDG. • 515 E. JEFFERSON ST. • ANN ARBOR, MI 48109-1316

The Child Care Subsidy Program provides funds to students with children to assist them in meeting the cost of licensed child care.

*This application is also available on the web at [finaid.umich.edu/childcare](http://finaid.umich.edu/childcare).*

### Who is eligible to receive the subsidy:

To be considered for the Spring/Summer 2017 Child Care Subsidy, you must meet ALL of the following criteria:

- Be enrolled at least half-time in a University of Michigan-Ann Arbor degree program at either the undergraduate, graduate, or professional level, or be enrolled in a non-degree program with a defined educational objective. Please note that:
  - **Students who are not in a degree program** must complete a 2016-2017 Non-Candidate for Degree Questionnaire, available on the web.
  - **Graduate students with approved Detached Study** status may satisfy the half-time enrollment requirement (you must be officially placed in Detached Study before your application can be processed). Doctoral students who are not enrolled or on Detached Study but **are actively pursuing research or completing a dissertation** may be eligible if their academic pursuits equate to at least half-time enrollment (must complete a Child Care Subsidy Ph.D Student Non-Enrollment Certification Form, available on the web).
- Have a dependent child 12 years old or younger or a dependent child with special needs under the age of 19.
- Incur child care expenses from a child care provider that is licensed by the state of Michigan. If your program is not found on the state of Michigan Department of Licensing and Regulatory Affairs database, it will not qualify for the U-M Child Care Subsidy. Visit [www.dleg.state.mi.us/brs\\_cdc/sr\\_lfl.asp](http://www.dleg.state.mi.us/brs_cdc/sr_lfl.asp). **Note: You may apply even if you are not currently using a licensed child care provider. If you are awarded a subsidy, you must change to a care provider licensed by the State of Michigan and use the licensed provider's services for at least 75 percent of each term for which you receive the subsidy.**
- Demonstrate financial need for this subsidy (see the reverse side for information on financial need and eligibility).
- Meet Satisfactory Academic Progress standards, as defined by the University of Michigan-Ann Arbor. ([www.finaid.umich.edu/SAP](http://www.finaid.umich.edu/SAP))
- Be a single parent or, if married, have a spouse who is a student (enrolled at least half-time in an undergraduate or graduate degree program) or is gainfully employed and earning income for a minimum of 20 hours per week (or a combination of school and work). You may be asked to document your spouse's employment or student status. (U-M will make an exception to employment criteria for a non-student spouse who cannot work due to a disability. Please note this on your application so your situation may be considered.)

### How much is the subsidy award?

The amount of Child Care Subsidy awarded to eligible applicants is based on their financial need, the number of children they have enrolled in licensed care facilities, their child care expenses, and available funding

**Estimated subsidy amounts for Spring/Summer 2017:**

1

For **ONE** child, the award maximum is **\$2,630** per 16-week term (\$1,315 per half term).

2

For **TWO** children, the award maximum is **\$3,850** per 16-week term (\$1,925 per half term).

3+

For **THREE OR MORE** children, the award maximum is **\$5,076** per 16-week term (\$2,538 per half term).

Note: A term is the full Spring/Summer term (combined Spring half-term and Summer half-term). Applicants will be notified in writing of their eligibility for the subsidy and the amount they will receive. **The subsidy amount cannot exceed the cost of your licensed child care.**

### How eligibility for the subsidy is determined:

You must demonstrate financial need to be eligible for the Child Care Subsidy program. Financial need is calculated as follows:

$$\begin{array}{r} \text{Estimated Cost of Attendance} \\ - \text{Expected Family Contribution} + \\ \text{Available Resources} \\ \hline = \text{Demonstrated Financial Need} \end{array}$$

**Estimated Cost of Attendance:** This estimated amount includes tuition, fees (if enrolled), an allowance for books and supplies, a reasonable allowance for living expenses, and child care expenses as reported on the Child Care Subsidy Application.

**Expected Family Contribution/Available Resources:** The Office of Financial Aid calculates this estimated amount from the information you submit on the Child Care Subsidy Application, your tax returns, and the FAFSA or International Student Financial Data Form. The calculation is based on such items as your earnings; checking, savings, cash, and money market accounts; investments and real estate holdings other than your family's primary residence; business equity; untaxed income; income from assistantships; and other financial aid you are receiving through your academic department and the Office of Financial Aid.

## How to apply:

If you submitted these forms previously to apply for assistance through our office, do NOT submit them again.
