

## Submitting 2015 Federal Income Tax Returns and/or a Non-Filing Statement for Non-U.S. Citizens

- All tax returns, receipts, and extensions **must be signed by the tax filer.**
- Submit documents by fax, mail, email attachment or in person.
- Include the **student name and 8-digit UMID number** at the top of the first page of the tax return(s).

- **If you filed a 2015 tax return:** When you apply for financial aid for the 2017-2018 academic year, you may be required to submit **signed copies** of 2015 federal income tax returns (1040s). You may be asked to submit tax returns for you and your spouse (*if you are married and your spouse filed separately, you must submit a signed copy of your spouse's federal income tax return.*) Tax returns are used to verify the information submitted on your financial aid application so your aid can be processed.
- **If you did not file a 2015 tax return:** If you and/or your spouse **are not or were not** required to submit federal income tax returns to the IRS (or to a foreign country's government) based on income requirements on the length of time in this country, complete the **Non-Filing Statement for Non-U.S. Citizens** below in lieu of tax return copies.

**Because there are many types of tax returns, we've listed below information on which types are acceptable for submission:**

1. **Federal Tax Returns:** All **signed copies** of 2015 paper tax returns and attached schedules are acceptable (1040, 1040NR, 1040NR-EZ or Form 8843). Be sure the return is signed by the tax filer in the "Sign Here" section even if it is already signed by a tax preparer.
2. **Foreign Tax Returns:** If you or your spouse filed a foreign tax return or a tax return for Puerto Rico, Guam, American Samoa, the U.S. Virgin Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, or the Republic of Palau, you must submit a copy of the **signed** 2015 tax return to our office. Currency must be converted to U.S. dollars (use a currency converter such as the one at [www.oanda.com/converter/classic](http://www.oanda.com/converter/classic)). If the fiscal year does not end in December 2015, we need a **signed copy** of your most recently filed tax return along with a letter from your employer or accountant stating your January 2015 through December 2015 earnings.
3. **Non-Filing Statement:** If you or your spouse are not or were not required to file a tax return based on income requirements established by the IRS (see chart on page 2), complete and **sign** the 2015 Non-Filing Statement below. Submit it by fax, mail or in person (do NOT send as an email attachment) to the Office of Financial Aid in lieu of tax return copies. Do NOT submit without ALL required signatures.
