Many students and prospective students in the U-M School of Dentistry request information each year about scholarship opportunities. When you are admitted to the university, you are automatically considered for any scholarships offered through the U-M School of Dentistry. There are no separate applications for these.

Private scholarships are offered each year by many corporate, professional, trade, government, civic, religious, social, and fraternal organizations. We encourage you to explore information on our Private Scholarships page (www.finaid.umich.edu/PrivateScholarships) and apply for any scholarships for which you are eligible.

The availability of scholarships for dental students is limited, but below is some information about organizations that have awarded scholarships to our students in the past:

- **Ed and Irene Fleis Education Fund**
  
  *Must have a family lineage connection to the past or present residents of Centerville or Solon Township in Leelanau County, Michigan.*
