**A NOTE FROM THE EXECUTIVE DIRECTOR**

My name is Tammie Durham, and I am the executive director for the U-M Office of Financial Aid. I am pleased to provide this financial aid guide in the hope that it will help you navigate the complexities and opportunities in your financial aid.

Required Reading introduces you to the financial aid prospects available to you for the upcoming academic year, and provides guidance on common issues and questions relating to your aid package. I hope you find it to be a valuable resource during your time at the University of Michigan.

Required Reading is undoubtedly full of information, but it is just a start. If you have more questions, visit our website or contact us in person, by phone, or by email (contact information is on page 25).

For future reference, please keep a copy of this booklet in your financial aid file or bookmark this site so you can download it at a future date: finaid.umich.edu/tools-resources/publications-newsletters

Wishing you success in the coming year!

Tammie Durham
Assistant Vice Provost and Executive Director of Financial Aid

**NOTICE:** Because of the nature of federal, state, and institutional guidelines affecting financial aid programs, the information contained in this publication is subject to change.
FINDING MY FINANCIAL AID NOTICE ON WOLVERINE ACCESS

To view/print a PDF of your Financial Aid Notice:

- If you already have a uniqname: Select the Award Notices tab and choose the current Award Notice.
- If you are an entering student with a Friend Account: Select View Financial Aid Award Notices and choose the current Award Notice.

We recommend that you save or print a copy of your Financial Aid Notice for your files.

WHAT TO DO NOW

Read your Financial Aid Notice and refer to this publication for information about the financial aid you have been offered. *(The notice is explained on page 5.)* Then:

- **We assume you are accepting all offered aid, including your offer of loan(s) assistance.** If you do not wish to accept your loan (or any other offer of aid) or wish to reduce the amount, you must communicate this by logging into Wolverine Access, selecting Accept/Decline from the Awards tab (not functional in Prospective Student Business).

  *Note: If you do not sign your promissory loan note, complete entrance counseling, and complete the Annual Student Loan Acknowledgement (ASLA), you will not receive your loan funds.*

- Notify us if you receive scholarships, department funding, fellowships, Michigan Educational Trust contracts, ROTC scholarships, veterans benefits, or other aid not listed on your Financial Aid Notice. Select View/Report Additional Aid from the Awards tab to do this.

- If name, U-M ID, residency, grade level, and/or career are not correct on your Financial Aid Notice, contact the Registrar’s Office as soon as possible. If your address is incorrect, change it using Wolverine Access.

- Complete your online Federal Direct Loan Master Promissory Note using your Federal Student Aid ID (FSA ID), complete the ASLA, and review important information about your federal loan accounts online at StudentAid.gov.

- Finally, authorize a Friend Account for your parents or guardians, so that they may also access your Financial Aid Notice. See finaid.umich.edu/tools-resources/using-wolverine-access for more information.

(continued on next page)
NEWLY ADMITTED FIRST-YEAR, TRANSFER, AND GRADUATE STUDENTS:

An offer of financial aid does not constitute admission to the University of Michigan or acceptance of U-M scholarships.

Accept your admission through the office that admitted you (such as the Office of Undergraduate Admissions or the Rackham Graduate School).

To accept scholarship offers from your school or college, carefully follow any directions provided within the scholarship notification.

(continued from previous page)

WHAT TO EXPECT LATER

• Check your email and the Documents/Review page of the Wolverine Access Financial Aid section (for New & Prospective students, select View Financial Aid Document Status).

• Complete/sign all applicable loan promissory notes.

• Respond immediately to requests from our office asking for additional information.

• If your aid is adjusted, you will get an email noting that you have a revised Financial Aid Notice.

FEDERAL DIRECT LOANS

If you have Federal Direct Loans, complete your Federal Direct Loan Master Promissory Note (MPN) online at StudentAid.gov AND the Annual Student Loan Acknowledgement (ASLA) to receive your funds. See finaid.umich.edu/managing-your-aid/loan-next-steps/master-promissory-notes for information. (If you have previously signed a Federal Direct Loan MPN at U-M, do not sign another unless you have been out of school for one year or more.) First-time borrowers at U-M must also complete online loan entrance counseling. You will receive an email reminder.

HEALTH OR NURSING LOANS

If you were awarded a Health Professions or Nursing Loan (finaid.umich.edu/types-aid/loans/health-professions-nursing), complete your loan documents (MPN, Rights and Responsibilities Statement) online using Wolverine Access to receive your funds. Health Professions and Nursing Loan recipients must complete a Rights and Responsibilities Statement each year on Wolverine Access.

U-M INSTITUTIONAL LOAN

Students must complete a U-M Institutional Loan Promissory Note each time they apply for a new loan. By signing the Promissory Note, you agree to the rights and responsibilities as noted.

A summary is also available on Wolverine Access:

• If you have a U-M uniqname:
  Select the Student tab in Wolverine Access and choose Student Business > Student Center > Financial Aid > Aid Year > Awards > Award Summary D.

• If you are an entering student with a Friend Account:
  Select the Student tab, choose the New & Prospective Student Business section > New & Prospective Student Center > View Financial Aid Award Summary.
Below is a description of your U-M Financial Aid Notice. Read all pages including links that are part of your agreement to accept federal aid funds. Page 2 of the Financial Aid Notice offers instructions about what to do next, and details the cost of borrowing and consumer information about the university.

Information from your financial aid application such as income, assets, family size, as well as residency status, program, and enrollment determines your eligibility for aid and what type of financial aid you will receive. Personal information highlights include:

A PRIMARY CAREER AND GRADE LEVEL: This section includes your level (undergraduate or graduate/professional) and your school or college based on information from the Office of the Registrar. Contact them with questions (ro.umich.edu).

B RESIDENCY STATUS: Residency at time of admission determines your tuition rate. Contact the Office of the Registrar at 734-764-1400 or visit ro.umich.edu/resreg.html.

C ENROLLMENT: We assume full-time enrollment for aid purposes; students must be enrolled at least half-time to receive aid. Most aid will be prorated based on your actual level of enrollment. We will monitor enrollment, and changes may reduce or cancel aid, even after you receive your funds. (See “Special note to students enrolled less than full-time,” page 11.)

*Cost of attendance will be adjusted to reflect graduate students enrolled for less than 9 credit hours (5 for half-time), and this could result in reduced aid eligibility.

If any information on your Financial Notice is incorrect, contact the appropriate university department to correct the information.

### Estimated Cost to Attend U-M

This section shows the estimated amount it costs to attend U-M for the period covered by your Financial Aid Notice (see page 6). It includes tuition and fees E as charged on your student bill, housing and meal costs F (on or off campus), and other costs, C which can include books, supplies, and personal expenses. Your actual expenses may vary; periodic student surveys determine these personal costs and estimates of typical aid. (See “What Your Costs Will Be” on page 8.)

### Financial Aid Offer

This section lists your financial aid for each term. If you receive scholarships or grants (money that is not repaid), they will fall under the gift aid I section. We subtract your gift aid from your total Cost of Attendance and display the amount remaining to be covered J.

The remaining sections in the Financial Aid Notice offer you options for paying this amount and can include:

K FEDERAL WORK-STUDY: This federal program allows you to apply for Federal Work-Study jobs and earn a paycheck to help you pay for college.

L LOANS: These are funds that students borrow from the federal government or other lenders. Loans must be repaid when students graduate or stop attending school. Federal loan and Institutional loan repayment begins six months after you graduate, withdraw, or drop below half-time status. Borrow only what you need.

M OTHER RESOURCES: These include some VA benefits, third-party credits, or pre-paid tuition plans, among others.

### AID PROGRAM LISTINGS: Refer to pages 19-23 for descriptions of U-M’s major financial aid programs for 2022–2023. Financial Aid on your notice that DOES NOT include an asterisk (*) is from sources other than the Office of Financial Aid. You must confirm this with the sponsor(s) and report any changes to us.
Financial aid programs were created with the assumption that the primary responsibility for paying for college rests with the student and family. Financial aid is available to families who need additional resources. The formula we use to determine need-based eligibility is:

\[
\text{COST OF ATTENDANCE} = EFC - \text{Other Financial Resources}\]

\[
EFC = \text{Eligibility for Need-Based Financial Aid}
\]

\[
\text{COST OF ATTENDANCE} \quad \text{is the estimated cost to attend U-M for fall and winter terms, including estimated tuition and fees, books and supplies, housing and meals, plus a modest allowance for personal/miscellaneous expenses. The budget allows the same housing and meals whether you live on or off campus, unless you live with your parents. (Students residing with parents are assumed to have lower costs of living.)}
\]

\[
\text{EXPECTED FAMILY CONTRIBUTION (EFC) is a formula applied uniformly to all aid applicants and considers information provided on the Free Application for Federal Student Aid (FAFSA) and, for entering applicants, the CSS Financial Aid profile, in addition to other documents we request. The FAFSA determines eligibility for federal aid; the profile eligibility for U-M gift aid.}
\]

1. The Parent Contribution – What parents are expected to pay toward annual college costs, based on income and assets (cash, checking, savings, and money market accounts; investments and real estate holdings; and business equity). Allowance for living expenses (based on family size), taxes paid, siblings in college, and retirement asset protection are built into the formula.

2. The Student Contribution – What a student is expected to pay based on income, savings, and other assets.

Your EFC is determined early in the process of assessing your financial need and your profile EFC remains constant for your time at U-M. Your FAFSA EFC may change each year. Financial aid is not applied against student and parent contributions.

SCHOLARSHIPS AND OTHER FINANCIAL RESOURCES are money you may receive from sources outside of family. They can include private scholarships, merit scholarships, U-M school or college scholarships, ROTC scholarships, benefits a student or parent has earned through military service or other employee benefits, state awards and scholarships, and prepaid tuition plans. See “A Note about Scholarships and Other Resources” on the next page.

A note about applying for financial aid: When you apply for financial aid at U-M using the Free Application for Federal Student Aid (FAFSA), we verify the information you submitted to the federal processor. We will sometimes ask you for additional information and review other university records during the application process. Your FAFSA record may be corrected based upon this information.

(continued on next page)
HOW NEED-BASED AID IS CALCULATED

We distribute need-based grant, scholarship, loan, and Federal Work-Study funds equitably among all eligible applicants who apply for financial aid by established deadline dates. A combination of demonstrated financial need, federal maximums, available funding, and other factors determine financial aid. To ensure that students are treated equitably, U-M may limit grant and scholarships to individual students. If your grants or scholarships exceed your financial aid eligibility and you include financial aid from U-M, they may be adjusted.

U-M awards financial aid funds in the following order to eligible students:

1. **Federal and state need-based grants and scholarships** Federal Pell Grants, Federal Supplemental Educational Opportunity Grant (SEOG), and Michigan Competitive Scholarships. SEOG funds are limited; they are awarded to applicants with the most need.

2. **OFA UM-Grant Replacement Scholarships**

3. **Tuition-based scholarships** Wolverine Pathways, HAIL, Michigan Fairfax, privately funded tuition based financial aid, etc.

4. **Institutional scholarships** Tappan, Fairfax, Presidential, etc.

5. **Institutional grant funding** Based on an annually established funding maximum. All other institutionally awarded assistance including LSA-funded U-M Grant replacement scholarships as well as OFA U-M grant replacement scholarships the Michigan Competitive Scholarship, Federal Pell Grant, MET, VA Educational Benefits, and TIP funding are considered in calculating U-M Grant and Go Blue Grant eligibility.*

6. **Federal Work-Study**

7. **Federal Direct Subsidized and Unsubsidized (Stafford) Loans**

8. **Health Professions Loans and Nursing Loans** Federal regulations require these funds to be awarded to students with the greatest need.

9. **M-Pact Package/Provost Award** Offered as a gap award to individuals within annually determined low socioeconomic status parameters. This will be the first reduced if additional aid is received.

10. **Perkins Replacement Grant**

Students who need additional funds or who are not eligible for need-based aid may consider supplemental loans such as the federal Direct PLUS Loan and/or private loans.

---

**A NOTE ABOUT SCHOLARSHIPS AND OTHER RESOURCES**

Students may receive scholarships from U-M schools and colleges or private sources or have ROTC scholarships, housing, and veterans’ benefits. These are considered financial resources when determining need-based aid eligibility, but should improve your overall aid package. Here is how such outside aid works:

- It is first applied against costs not accounted for in your aid package (i.e. the gap between the cost of attendance and your EFC plus the aid offered). Outside aid will not reduce the expected family contribution.
- Next, it reduces loans or Federal Work-Study.
- Grant aid is only reduced if all need-based loan and Federal Work-Study is replaced by scholarships or other resources.

**SOME IMPORTANT EXCEPTIONS:**

- Need-based scholarships may reduce U-M Grant, but total aid should remain the same or be higher.
- If you own a 529 plan such as a Michigan Education Trust contract, receive a post-9/11 VA benefit, a state-funded scholarship, or have ROTC scholarships, the Detroit Compact, Wade McCree, or Detroit Promise, it will be applied against need-based grants before reducing loan or Federal Work-Study.
- M-PACT (U-M grants) are reduced before loan and Federal Work-Study awards.

Please note: Some scholarships require full-time enrollment before disbursement.

---

**Special note to non-resident students:**

While the Office of Financial Aid does not have sufficient funds to meet the full demonstrated financial need of all nonresident students, students who are eligible for scholarships from U-M schools or colleges or other private sources may be able to cover their costs through these combined resources. Other options often used by nonresident families are the Federal Direct PLUS Loan (available to the parents of undergraduate students), the Grad PLUS Loan (for graduate students), and private loan sources.

**CALCULATE YOUR BOTTOM LINE BASED ON AID RECEIVED**

Use your budget from the worksheet above and your Financial Aid Notice to complete this worksheet. It will tell you how much you and your parents need to contribute after financial aid is applied.

**WHAT ARE MY COSTS?**

**DETERMINE YOUR COSTS USING YOUR FINANCIAL AID NOTICE**

Your Financial Aid Notice has your estimated cost of attendance, which is used to calculate your financial aid awards. This worksheet shows the resources you will have to cover your cost to attend U-M and calculate how much you and your family need to contribute to your education.

**VISIT WOLVERINE ACCESS TO:**

**Estimate bill, loan eligibility, or amount for U-M Payment Plan**

To estimate your university bill; determine private educational loan, PLUS Loan, or Grad PLUS Loan eligibility; or figure out how much to request on the U-M Payment Plan, use the Financial Planning Calculators in Wolverine Access. Visit the Student Center and select Finances > Financial Planning Calculators.

**VISIT WOLVERINE ACCESS TO:**

Your Financial Aid Notice has your estimated cost of attendance, which is used to calculate your financial aid awards. This worksheet shows the resources you will have to cover your cost to attend U-M and calculate how much you and your family need to contribute to your education.

**KEEP COSTS IN MIND**

The double room rate used on your Financial Aid Notice is less than the rate for a single room. If you choose a single room, you must cover the difference between the two.

If you live off campus, you could save money by having roommates. See our Off-Campus Student Resource Worksheet (finaid.umich.edu/wp-content/uploads/off-campus-wksht.pdf)

LOAN INFORMATION

SUBSIDIZED VS. UNSUBSIDIZED FEDERAL DIRECT LOAN

Students with financial need get Federal Direct Subsidized Loans, while all applicants are eligible for Federal Direct Unsubsidized Loans. Subsidized Loans are not assessed interest while a student is enrolled at least half-time. Unsubsidized Loans are assessed interest while students are enrolled, but interest is deferred until loan repayment begins. A student may pay interest while enrolled, which will result in lower loan payments and cost over the life of the loan. These loans have origination fees, so the amounts applied to your university student account are less than amounts listed on your notice.

HOW MUCH SHOULD YOU BORROW?

• Many students wisely maintain a lower-cost student lifestyle in order to borrow the least amount necessary to cover college costs. For budget tips, visit finaid.umich.edu/tools-resources/smart-borrowing.

• If you are borrowing federal loans, visit StudentAid.gov to see how much you have borrowed to date. Find cumulative borrowing for Health Professions and Nursing loans on Wolverine Access (wolverineaccess.umich.edu).

• Also in Wolverine Access is the student Eligibility Information panel, allowing students to track grant and scholarship eligibility, time left on federal loan subsidies, and whether they are meeting Satisfactory Academic Progress. Find the tab on the right-hand side of the Financial Aid section in the student portal.

• To see how much a loan in repayment will cost, use the Repayment Estimator at: studentaid.gov.

• To cancel or reduce your loans, visit Wolverine Access (wolverineaccess.umich.edu > Student > Student Center > login > Financial Aid > Awards > Accept/Decline Financial Aid). To cancel or reduce loans after they have been paid, contact our office.

SPECIAL NOTES

DIRECT SUBSIDIZED LOAN TIME LIMITATION:

New Federal Direct Subsidized Loan borrowers are limited in the amount of time they qualify for an interest subsidy. Students who have exceeded 150% of the published length of their educational program will be:

• ineligible for additional Federal Direct Subsidized Loans (though you may borrow a Federal Direct Unsubsidized Loan)

• responsible for interest on all loans accruing after exceeding the 150% limit.

Students with no outstanding federal loan principal balance when they take out a new loan are considered new borrowers. Transferring between programs does not reset loan eligibility. Interest not paid will be capitalized, effectively increasing your loan principal upon repayment.

UNDERGRADUATE STUDENTS APPROACHING GRADUATION:

If you are enrolled less than full-time during your final term, you may not be eligible for the full, annual maximum federal loan limit. Consult with an aid officer to discuss your situation.

FEDERAL PLUS LOANS AN OPTION FOR PARENTS AND GRADUATE STUDENTS

Graduate students and parents of undergraduates must complete the FAFSA and then apply for PLUS loans separately if they need additional funds to cover costs. Applicants may borrow up to the amount of cost of attendance each year, minus any other financial aid received (see page 22).

The Direct PLUS Loan may be of interest to students/parents who are not eligible for other aid, have unusual costs above standard student expense budgets, need more help after other forms of aid are awarded, or wish to borrow all or part of their Expected Family Contribution.

PLUS LOAN ELIGIBILITY SAMPLE:

\[
\begin{align*}
\text{PLUS Loan Eligibility} & = \text{Cost of attendance/Budget} - \text{Total Financial Aid Awards} \\
& = $30,298 - $12,000 \\
& = $18,298
\end{align*}
\]

The federal processor will pull your credit report. Because credit reports are valid for a limited time, applications for the fall and/or winter terms will be available in early April.

PRIVATE LOANS

If you need additional financing to meet your educational costs, visit finaid.umich.edu/types-aid/loans/private-loans for information about private loans. Compare rates and terms with the PLUS and Grad PLUS and consider their repayment terms.
When you accept our offer of financial aid, you agree to fulfill the following responsibilities, including the terms and conditions set by the federal regulations for financial aid.

**1 ADDITIONAL ASSISTANCE**

a. If you receive additional funds not listed on your notice (scholarships, departmental funding, Michigan Education Trust, etc.), report them immediately in Wolverine Access (wolverineaccess.umich.edu) by selecting Student > Student Center > login > Student Center > Financial Aid > Select Aid Year > Awards > View/Report Additional Aid. With additional assistance, your financial aid may be adjusted or reduced, even if your aid has already been paid. If there is a change to your aid eligibility, you will receive an email with a notice of a revised Notice (see page 7 for more information).

b. Students enrolled at more than one institution concurrently may not receive financial aid from both institutions unless on a preapproved Study Abroad consortium.

c. We apply aid directly to charges on your university student billing account (including tuition, some fees, housing, and other charges). Excess funds are released to you in the form of a “refund.” Any subsequent charges are your responsibility. (See pages 11 and 12.)

d. Financial aid does not cover certain charges. Check your account balance monthly for any unpaid charges.

e. Financial aid for a specific term may only be used to pay for charges for that term, not to pay prior term balances.

**2 PREVIOUSLY RECEIVED TITLE IV FEDERAL AID**

You must not be in default on any federal loans or owe any refunds on federal grants from postsecondary institutions.

**3 USE OF FUNDS**

a. You may use your financial aid funds only for education expenses incurred at the UM-Ann Arbor for the fall/winter 2022–2023 academic year.

b. Some scholarships and grants, such as the Michigan Competitive Scholarship, Michigan Indian Tuition Waiver, HAIL, Wolverine Pathways, and the Go Blue Grant are for tuition only.

c. We apply aid directly to charges on your university student billing account (including tuition, some fees, housing, and other charges). Excess funds are released to you in the form of a “refund.” Any subsequent charges are your responsibility. (See pages 11 and 12.)

**4 ENROLLMENT REQUIREMENTS**

a. **FULL-TIME ENROLLMENT** We assume that you will enroll full-time. You may enroll less than full-time, but you must be enrolled at least half-time in classes that count for degree credit to be eligible for aid.

Enroll in a course by the university’s third-week drop/add date each term to be considered for financial aid for that course.

If your program has a flexible enrollment policy, register before the drop/add deadline. (Note: School of Business students have a later deadline; however, these students must be registered by the earlier institutional deadline as published by the Office of the Registrar.) Not-for-credit courses do not qualify for financial aid. If you are repeating a course, take care that your school or college has not designated it as not-for-credit. If so, it is not eligible for aid and you may be required to repay some of your already disbursed financial aid. Note that:

- Some scholarships require full-time enrollment before disbursement.
- Wait-listed classes, not-for-credit classes, and classes that you are auditing do not count toward enrollment.
- Less-than-full-time enrollment may reduce both current and future aid eligibility and impact your Satisfactory Academic Progress requirements (see page 13).

b. **REDUCING ENROLLMENT LEVELS** We monitor enrollment levels each term. If you drop courses and fall below minimum credit hour requirements, you may have to repay all or part of your aid. Consult with a financial aid officer before you drop a class. Adjustments to your financial aid are not made until after the drop/add date for each term.

c. **WITHDRAWAL FROM THE UNIVERSITY** If you choose to withdraw or are asked to leave the university, inform us immediately. If you have received a federal student loan, you will be sent information about completing online “exit counseling” for loan repayment. Depending upon when you withdraw, you may be required to repay all or part of your aid (see page 14).

d. **ATTENDANCE** The Office of Financial Aid is required to verify that students who receive a non-passing grade (any grade other than A, B, C, D, or P) in any class actually began attending the class. If you receive a non-passing grade in a course or no grade is reported, we will follow up to determine whether or not you attended the class.

e. **SATISFACTORY ACADEMIC PROGRESS** To remain eligible for financial aid, students must make satisfactory progress toward completing their degrees (see page 13).

f. **UNDERGRADUATES WITH ONE OR MORE BACHELOR’S DEGREE(S)** Undergraduate students who have received one bachelor’s degree and are pursuing another will only be eligible for loans. However, a student enrolled in an approved dual-degree program or who is a double major may qualify for all types of aid.
WHEN will I receive my aid?

Financial aid is paid out at the beginning of the term for which you have enrolled. Thereafter, students will receive aid within two weeks after they have:

1. Responded to our requests for additional information.
2. Enrolled (not wait-listed) at least half-time (six hours for undergraduates, four hours for graduate students).
3. Completed/signed all promissory notes; see “What to expect later” (page 4) for details.

Disbursement dates are published in student newsletters: finaid.umich.edu/tools-resources/publications-newsletters

HOW will I receive my aid?

1. DIRECTLY APPLIED TO YOUR UNIVERSITY STUDENT BILLING ACCOUNT

Grants, scholarships, and loans administered by the Office of Financial Aid are first applied to your U-M student billing account to pay tuition, fees, university-operated housing, and other university charges. U-M grant funds are applied first to tuition, then to other on-campus charges.

2. FINANCIAL AID REFUNDS

If financial aid exceeds these account charges, students will receive either a refund or a credit on their account. You may have your refund direct deposited to your bank account or have a check mailed to your current (local) address as listed on Wolverine Access. For direct deposit:

- Select Direct Deposit from your self-service menu in Wolverine Access. Allow up to two business days for it to be processed.
- The direct deposit authorization will cover all funds paid to you — financial aid and university employment wages (including Federal Work-Study).
- This authorization remains in effect until you cancel it. To do this, complete a Direct Deposit Authorization Form (finops.umich.edu/payroll/forms/directdepositauthorizationform) and submit it to the Payroll Office.

3. FEDERAL WORK-STUDY EMPLOYMENT

Students earn Federal Work-Study by working for Federal Work-Study employers and earning a paycheck, typically paid biweekly through the employer’s payroll system. This does not appear as aid on your student account. Employers pay a percentage of students’ wages and federal funds pay the remaining wages.

The Student Employment Office maintains listings of eligible Federal Work-Study jobs at studentemployment.umich.edu. Students contact employers directly to apply. Show the employer a copy of your Financial Aid Notice and proof that you are enrolled at least half-time and inform them of your Federal Work-Study eligibility changes.

4. PRIVATE SCHOLARSHIP CHECKS

- If your scholarship check is sent to the university, it will be applied to your student account half in fall term and half in winter term, unless otherwise specified by the scholarship sponsor. Payments are processed within two weeks. Any credit will be refunded to you by direct deposit or check.
- If the provider makes the check payable to U-M and sends it to you, submit the check to our office for processing (include U-M ID).
- If the provider makes the check payable to you and U-M and sends it to you, endorse it (include U-M ID) and submit to our office.
- If the provider makes the check payable to you and sends it to you, report this resource to us and apply any funds necessary to your student account.

A NOTE ABOUT LOANS AND FINANCIAL AID REFUND CHECKS

If you receive a refund for a loan and you do not want it, notify us in writing. Not cashing the check does not cancel the loan. Here are your options:

- Return your uncashed check to us with a note of explanation.
- If you have cashed the check or received direct deposit, request the loan reduction in writing for the desired amount. Once the loan is removed from your Student Account, you can then make an ePayment through Wolverine Access, or write a check payable to “University of Michigan.”

Visit sfo.umich.edu for more detailed information on making payments to your Student Billing Account.

SPECIAL NOTE TO STUDENTS ENROLLED LESS THAN FULL-TIME

Your financial aid is based on full-time enrollment. If you are not enrolled full-time by the end of the drop/add period, your aid will be adjusted at that time and you will receive a revised notice reflecting your level of enrollment.

If you enroll in a class, do not attend, and later withdraw, your aid will be adjusted if withdrawing results in less-than-full-time enrollment.

Your eligibility for financial aid will be finalized based upon your enrollment the day after the third week drop/add deadline. Courses added after this deadline are NOT eligible for financial aid.

Students whose initial enrollment occurs after the drop/add deadline will have their financial aid eligibility calculated based upon their initial enrollment, and coursework added after their initial enrollment will not be considered when calculating financial aid eligibility.
PENDING FINANCIAL AID

Because initial student bills for a term are issued before financial aid, a special section – Pending Aid – is included showing any financial aid funds that the university expects to credit to your account based on your aid package. If you are enrolled full-time and you have signed the required documents (such as loan documents), pending aid will appear on your bill.

Disbursement of financial aid funds to students’ accounts begins shortly before the start of fall term 2022. When funds are credited to your account, pending aid is removed.

SOME IMPORTANT EXCEPTIONS

Some sources of aid – such as graduate student instructor/research assistant tuition waivers, private and PLUS loans, and third-party credits and private scholarships not yet received – will not appear on your bill as pending aid. They will show on your student account after we receive the funds.

If funds you are expecting have not appeared on your account by the time you pay your bill, pay the amount due to avoid incurring a late fee. Once funds are applied to your account, you will see a credit on your monthly bill.

Your university student billing account is maintained by Student Financial Services, which notifies students by email mid-month when there is an eBill available to view/print on Wolverine Access (wolverineaccess.umich.edu).

Financial aid, including private scholarships and MET accounts, is applied directly to the charges, usually during the first month of the term.

Some types of aid have restrictions. For example, federal aid cannot pay for orientation and lost ID card fees. Some university scholarships can only pay for tuition, fees, and/or housing and meals. So you could receive a refund even with outstanding charges; you are responsible for paying those charges using your refund or other resources.

Student eBills for fall 2022 term will be issued to students in mid-August. To see how much you owe, visit Wolverine Access and view the Account Summary in the Student Center > Finances section.

To view your charges in detail, select Account Inquiry from your Student Center. The Charges Due A page that opens shows a “running total” of your charges by due date. View individual bills by selecting an invoice number in the Invoices Due section.

The Invoice Detail page shows details of your monthly bill. The activity and amount due will change as payments and credits are posted to your account.

If you have questions about the bill, select the Help button on the page and visit Student Business Help.

A FEW NOTES ABOUT YOUR BILL

- Expenses such as books do NOT appear on your eBill.
- Federal Direct Loan (Subsidized, Unsubsidized, and PLUS) payments applied to your account will be lower than amounts awarded because loan origination fees are deducted.
- Federal Work-Study is not reflected on the eBill: Federal Work-Study funds are earned by working and receiving paychecks (page 11).
- Late payment fee for an unpaid balance on your student account is $30 per month.
Satisfactory Academic Progress (SAP) describes a student’s successful completion of coursework toward a degree and is a requirement of receiving financial aid. To maintain SAP, a student must:

1. **Maintain a minimum cumulative grade point average (GPA)** – The minimum for undergraduates is based upon the academic level and ranges from a 1.6 at the end of the first year to a 2.0 by the end of the senior year. (GPA requirements for scholarships may be higher.) For graduate-level programs, the minimum GPA requirement is determined by the academic unit. The GPA is reviewed annually, after winter term grades are posted, and the overall GPA must be equal to or greater than the required minimum for the student’s academic level.

2. **Complete at least 67% of all attempted credit hours** – This is also reviewed annually at the end of each winter term, and the aggregate percentage of coursework attempted and passed must equal 67% or greater at each review. (For example, an undergraduate student enrolled for 12 credit hours and completing only 8.5 credit hours has completed an acceptable percentage of attempted credit hours, 67% or greater.)

   Note: **Graduate students enrolling in undergraduate level courses should verify that they will receive credit toward their graduate degree for this coursework. Not-for-credit classes will not be counted as satisfactory completion, regardless of the grade received for the course(s).**

3. **Complete a degree program in a maximum time frame of no more than 150% of the average length of the program** – For example, it takes an average of 120 credit hours to complete a Literature, Science, and the Arts (LSA) undergraduate degree. So, 180 credit hours would equal 150% and would be the maximum number of credit hours for which an LSA student could receive financial aid from federal sources. (The 150% standard applies to graduate students based on average program length defined by a student’s academic unit.)

   - **For transfer students:** The number of transfer hours accepted at the point of admission are used to calculate a student’s remaining eligibility under the 150% standard and will be included in the quantitative calculation, which includes number of credits attempted and completed.
   - **For students returning to college for a second undergraduate degree:** These students are eligible to receive only loan funds. They will be given 150% of stated credit hours required for the second degree program.
   - **Double majors/minors:** These students will be funded with aid based upon 150% of stated credit hours of one major program.
   - **For graduate students on detached study:** Detached study semesters count as the equivalent of eight credit hours attempted and completed when calculating both pace and 150% of program length completion.

**IMPORTANT NOTES:**

- University of Michigan Grant is available to eligible U-M undergraduate students who are enrolled in their first bachelor’s degree during the first 10 terms of enrollment in a college or university. This includes attendance at U-M or any other institution.
- Non-credit classes are not eligible for financial aid.

**SAP MONITORING**

At the end of each winter term, students who have not met all three of the requirements listed above for all terms in which they are enrolled (not just those terms for which the student received aid) will be notified in writing that their aid eligibility has been terminated.

**SAP FINANCIAL AID PROBATION**

Financial aid probation means you have one semester (or timing as specified by the Academic Recovery Plan) to meet SAP requirements in order to retain financial aid eligibility. Students on probation continue to receive aid.

You will be asked to sign a Term-by-Term SAP Probation Agreement that will explain the requirements of your probation. Students on SAP financial aid probation are monitored for improvement and adherence to the probation terms including the Academic Recovery Plan. While on probation, an undergraduate student is expected to achieve a semester grade point average of 2.0 (or as determined by academic unit), may not receive an “I” in any coursework, and must receive a “P” in each Pass/Fail course.

A student is removed from SAP financial aid probation after successfully completing the Academic Recovery Plan, as demonstrated by obtaining a GPA consistent with the minimum requirement and completing an aggregate percentage of 67% or more of all attempted credit hours.

Any student placed on academic probation by his or her school or college is also considered to be on SAP financial aid probation.

**SAP APPEALS**

A student may appeal aid eligibility termination if extenuating circumstances prevented normal academic success or successful completion of SAP terms. The SAP Appeal Form allows the student to document these circumstances and develop an Academic Recovery Plan with an academic advisor. Examples include: personal/family critical illness (physical/mental health), natural disaster, etc. If an appeal is approved, the student will be placed on SAP financial aid probation.
(continued from previous page)

probation. The student must comply with probation requirements of both the academic department and the Office of Financial Aid.

Students who fail to adhere to probation terms are not eligible for aid in any subsequent semester. Written notification is sent to students failing to comply with those terms.

ACADEMIC HOLDS

U-M schools and colleges use academic holds to prevent student registration when there are academic issues. We will not determine aid eligibility or release funds until all academic holds are lifted. Contact your academic advisor to resolve a hold.

INCOMPLETE COURSES, POOR GRADES, AND WITHDRAWAL

GRADERS:

Only courses for which a student receives a grade of A, B, C, D, I, or P are acceptable. A grade of E, F, ED, W, NR, or X is not acceptable. Students who fail to complete at least 67% of attempted credit hours because of incomplete grades or who withdraw from all classes will have their financial aid terminated.

REPEATED CLASSES:

A student repeating a course and receiving a non-passing grade may receive aid for that course. A student may not receive financial aid to repeat a class for which a grade of I or X was received that was not completed within the maximum timeframe set by the course instructor. Students who receive a passing grade may repeat a class once. See examples below. (Repeating classes that do not result in additional hours or Michigan Honor Points will not improve completion rate.)

NOT-FOR-CREDIT CLASSES:

Non-credit courses are not eligible for financial aid. If you are repeating a course, take care that your school or college has not designated it as not-for-credit. If so, you may be required to repay some of your already disbursed aid.

TERMS WITH FAILING GRADES:

Students will be asked to verify course participation during a term in which all grades received are unacceptable (as defined above). Failure to verify attendance in each class will result in cancellation of all aid for the term.

EXAMPLES: REPEATING COURSES

There is no limit for students who receive failing grades in a course:

You may continue to take the course until you pass it (so, no limit on the number of times a course is repeated when receiving E, F or W grades). If you receive a grade of D- or higher, you may take the class one additional time and remain eligible for aid for that class. But if you enroll for it a third time, there will be no aid.

Sally U. Mich takes a language course and passes it with a D grade. She receives her financial aid, but wants to better her grade so enrolls again and receives a B. She receives aid again for the class. She enrolls a third time, but will not get financial aid. She can repeat the course only once after receiving a passing grade.

Samuel Student takes a math course, receives an E and gets financial aid. He takes it a second time and receives an E; aid is allowed. He takes it again and receives a C; aid is allowed. He takes it yet again and will not receive aid. A student with a failing grade can repeat the course without limit and receive aid.

If you are repeating a course, take care that your school or college has not designated it as not-for-credit. If so, it is not eligible for aid and you may be required to repay some of your already disbursed aid.

REGAINING AID ELIGIBILITY

A student can regain eligibility by notifying the U-M Office of Financial Aid when these three things have been accomplished:

1. Complete a minimum of 12 credit hours for undergraduates or eight credit hours for graduate students at U-M (or as specified in the Academic Recovery Plan) without the benefit of financial aid. Students may take the credits at another institution of higher education if approved by their academic advisor; and,

2. Achieve a minimum GPA of 2.0 for undergraduates (for graduate students and some undergraduate programs, GPA requirements of their academic unit apply); and,

3. Complete 100% of attempted credit hours.

Note: A student who has lost eligibility may not automatically regain it by sitting out (not attending) for a semester.
Students sometimes find it necessary to withdraw from all classes during a semester. Depending on when this occurs, students may receive a refund of all or part of tuition and fees. If the student is a financial aid recipient, the university and student may be required to return the aid, or a portion of it, to the federal government.

**TUITION REFUND POLICY**

The university has a tuition refund policy stipulating the amount of tuition and fees refunded to a student who withdraws from all classes during a term. The Registrar’s Office determines specific refund dates each term (ro.umich.edu/calendar and select “Registration Deadlines”). The chart below shows the amount of tuition and fees returned based on when the student withdraws. Students must notify the Registrar’s Office immediately by following specific withdrawal procedures. Visit ro.umich.edu and select “Service hours and office locations”.

**UNOFFICIAL WITHDRAWALS**

If a student receives a failing grade and does not attend or stops attending a class, the federal government considers this an unofficial withdrawal. In these cases, students can be required to repay aid received. If you have questions about enrollment and aid eligibility, contact the Office of Financial Aid for assistance.

**RETURN OF TITLE IV (FEDERAL) FINANCIAL AID**

The U-M Registrar notifies us when a student has officially withdrawn from the university. Students withdrawing from all classes may keep only the financial aid they have “earned” up to the time of withdrawal.

Unearned Title IV funds must be returned by the university and/or by the student to the federal government. The student could owe the university, the government, or both.

The calculation for return of Title IV funds is based upon the date on which a student initiates the withdrawal process by speaking with an academic advisor or a member of the Registrar’s staff or completing the university’s withdrawal form.

Students who withdraw may be asked to document course participation. Failure to document attendance or participation will result in cancellation of all aid for that semester.

To determine what aid a student earns, we:

- Divide the number of calendar days the student has attended classes by the total number of calendar days in the semester (minus any scheduled breaks of five days or more).
- The resulting percentage is multiplied by total federal funds disbursed (either to the student’s university account or to the student directly by check or direct deposit) for the semester.

This calculation determines the amount of aid a student may keep. (For example, if the student attended 25% of the term, they will have earned 25% of the aid disbursed. The unearned amount must be returned to the federal government by the university and/or the student.)

Students who have withdrawn will be reviewed to ensure all aid for which the student is eligible is included in the calculation. Students for which an eligible loan was not disbursed will be contacted to see if they wish to have that portion disbursed.

We will notify and provide instructions to students who are required to return funds to the government.

In some instances, students who withdraw may be eligible for a post-withdrawal disbursement of “earned” aid. The following conditions must be met for the student to be considered eligible:

- The student must have submitted a valid FAFSA to U-M prior to date of withdrawal.
- U-M must have made an offer of federal aid to the student. In the case of a Federal Direct Loan, the university must have originated the loan with the U.S. Department of Education, must have documentation that the student signed a loan promissory note, and must be making the first disbursement of the loan.

Students considering withdrawal from all classes should contact our office and their academic advisor so that the consequences of withdrawing from all classes can be explained.

**ALLOCATING RETURNED TITLE IV (FEDERAL) FINANCIAL AID**

Funds returned to the federal government reimburse the individual federal programs from which the student received the aid. Financial aid returned (by the university and/or the student or parent) must be allocated, in the following order, up to the net amount disbursed from each source:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. Federal Direct PLUS (Parent) Loan or Grad PLUS Loan
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)
6. Other Federal Loan or Grant Assistance

**RETURN OF TITLE IV AID**

The calculation for return of Title IV aid is based upon the date on which a student initiates the withdrawal process by speaking with an academic advisor or a member of the Registrar’s staff or completing the university’s withdrawal form.

Students who withdraw may be asked to document course participation. Failure to document attendance or participation will result in cancellation of all aid for that semester.

To determine what aid a student earns, we:

- Divide the number of calendar days the student has attended classes by the total number of calendar days in the semester (minus any scheduled breaks of five days or more).
- The resulting percentage is multiplied by total federal funds disbursed (either to the student’s university account or to the student directly by check or direct deposit) for the semester.

This calculation determines the amount of aid a student may keep. (For example, if the student attended 25% of the term, they will have earned 25% of the aid disbursed. The unearned amount must be returned to the federal government by the university and/or the student.)

Students who have withdrawn will be reviewed to ensure all aid for which the student is eligible is included in the calculation. Students for which an eligible loan was not disbursed will be contacted to see if they wish to have that portion disbursed.

We will notify and provide instructions to students who are required to return funds to the government.

In some instances, students who withdraw may be eligible for a post-withdrawal disbursement of “earned” aid. The following conditions must be met for the student to be considered eligible:

- The student must have submitted a valid FAFSA to U-M prior to date of withdrawal.
- U-M must have made an offer of federal aid to the student. In the case of a Federal Direct Loan, the university must have originated the loan with the U.S. Department of Education, must have documentation that the student signed a loan promissory note, and must be making the first disbursement of the loan.

Students considering withdrawal from all classes should contact our office and their academic advisor so that the consequences of withdrawing from all classes can be explained.
2023–2024 FALL/WINTER AID

1 APPLICATIONS

a. Information regarding the application time frame for 2023–2024 will be provided in the fall 2022 Financial Aid Newsletter and will be posted on the financial aid website in November 2022.

b. You should also receive an email message from the U.S. Department of Education explaining how to complete the 2023–2024 Free Application for Federal Student Aid online at studentaid.gov/h/apply-for-aid/fafsa. Submit your FAFSA to ensure that you will be considered for all aid programs and to allow enough time for the federal processor to send your record to U-M.

c. Entering undergrads should also complete a 2022–2023 CSS Profile application (available October 1, 2022 at cssprofile.collegeboard.org) to be considered for university need-based grants and scholarships.

d. If we need additional required documents, you will receive an instructional email.

2 CONTINUING ELIGIBILITY FOR AID

Generally, you will receive similar financial aid throughout your undergraduate years if:

a. Your family’s financial circumstances, number of family members, and number of siblings enrolled in college remain the same (see page 18);

b. The federal aid programs and regulations remain the same;

c. Federal, state, and institutional funding for aid programs is not reduced;

d. You submit the appropriate application materials by the required deadlines;

e. You provide accurate information (income, assets, etc.) on all application materials; and

f. You maintain Satisfactory Academic Progress (see page 13).

3 AID FROM OTHER SOURCES

If you received aid from other sources, such as departmental aid or private scholarships, educate yourself about the application requirements and deadlines for those programs. To find out about reapplying for these programs, contact the organization that awarded the funds to you.

SPRING/SUMMER AID

Undergraduates must be enrolled in a minimum of six credit hours to be eligible for spring/summer term aid, while graduate students must be enrolled in a minimum of four credit hours. Be on the lookout for additional information on how to apply for and receive aid for these terms.

(continued on next page)
SPECIAL SITUATIONS

REQUESTING A RE-EVALUATION OF AID ELIGIBILITY

We recognize that some students and families experience special circumstances that affect their ability to pay for college. Contact us immediately when family financial circumstance change and provide documentation and we will review your situation. Assistance will depend upon whether funds are available at that time. If your cost of attendance is adjusted, you may be eligible to borrow more in loans.

Circumstances considered include:
1. Loss of income (wages, benefits, etc.) because of unemployment or change in health or marital status
2. High unreimbursed medical and/or dental expenses
3. Financial loss due to bankruptcy or natural disaster
4. High cost of attendance because of circumstances such as higher-than-usual book and supply expenses or child care costs. Cost of attendance can be adjusted for child care expenses only if the student is:
   • a single parent providing at least 51% of the child’s support
   • married with a spouse/partner who is employed at least 20 hours per week
   • married with a spouse/partner who is also a student

TIMING OF REQUESTS

All requests for aid re-evaluation must be received a minimum of three weeks prior to the end of the enrollment period. The U-M Office of Financial Aid cannot guarantee that requests received after this point will be funded. We cannot, under any circumstances, process a request received after the end of the enrollment period. If you have questions regarding this policy, please contact our office.

HOW TO APPEAL A FINANCIAL AID DECISION

If you wish to appeal a financial aid decision, follow the procedure outlined below.

STEP 1:
Present your situation to a financial aid administrator. All options should be explored at this level before moving to the next step. If the situation cannot be resolved here, the officer will present your appeal to the Special Circumstances Review Committee.

STEP 2:
The financial aid administrator presents your situation to the Special Circumstances Review Committee in the Office of Financial Aid. This occurs if unusual circumstances require exceptions to standard financial aid policies or procedures. If you have additional information regarding your situation, please include it with your appeal.

STEP 3:
Complete an appeal form and schedule an appointment to discuss the appeal with an assistant or associate financial aid director.

STEP 4:
If you believe your situation warrants further consideration after completing step 2, you may request a review with the Office of Financial Aid Executive Director. The decision of the executive director is final.
FREQUENTLY ASKED QUESTIONS (FAQs)

- **What will happen to my financial aid if I move to off-campus housing?**

  Moving off-campus from a dorm does not affect your financial aid. However, housing costs will no longer be automatically deducted from your student account; you pay rent directly to your landlord. See the Off-Campus Resource Worksheet (finaid.umich.edu/wp-content/uploads/off-campus-wksh.pdf).

- **If I have a parent who is enrolled at a college or university, can she be counted as a family member in college when my financial aid is calculated?**

  No. When we calculate need, credit is given for each sibling living in the household and enrolled at least half-time in an undergraduate college degree program. Parents are not included in this number nor is a high school sibling who attends college. Multiple children attending college at the same time have a financial impact on a family, and so aid calculations will reduce the amount a family will pay toward college. Reducing the number of family members in college can reduce aid eligibility.

- **Am I allowed to receive financial aid from more than one institution at the same time?**

  No. You may receive aid from only one institution.

- **Is Federal Work-Study income taxable?**

  Yes. Any money received for work is considered taxable income. This can include Federal Work-Study employment, temporary employment — on or off campus — some fellowships, etc. You will be asked to file a W-4 tax withholding form and you will receive a W-2 (statement of income and taxes withheld) each year. Taxable earnings from need-based employment must also be reported on your FAFSA. Questions regarding your withholding status should be directed to the U-M Payroll Office (see page 25).

- **I would like to purchase a computer. Can I get money to cover this?**

  Students are encouraged to explore all options for funding the purchase of a laptop. If this is not possible, the Office of Financial Aid allows students to borrow (usually through a private lender) for the purchase of a computer. Students may borrow for this only once during their time at the university, and some laptop distribution programs are currently providing laptops to undergraduate students. Documentation (receipt or written estimate) of the purchase is required.

- **Do I have to report any grants, scholarships, or fellowships to the IRS as income?**

  Part of all grants, scholarships, or fellowships may be taxable, even if you do not receive a W-2 form. If you are in a degree program, amounts you use for expenses other than tuition, books, and supplies may be taxable. To determine this taxable amount: add all grant, scholarship, and fellowships received in a calendar year then subtract all tuition, fees, and book and supply expenses. If the remaining amount is a positive number, it must be reported as income and also reported on your FAFSA. If you are not enrolled in a degree program, the full amount of grants, scholarships, or fellowships is taxable. Contact the Internal Revenue Service for more detailed information (irs.gov).

- **I have completed a bachelor’s degree and have returned to school in a different program to earn a second undergraduate degree. What aid is available to me?**

  Undergraduate students who have received one bachelor’s degree and are pursuing a second degree in another program will only be eligible for federal loans.

- **What about students enrolled in a dual-degree program or who have a double major? Can they get financial aid?**

  Contact the Office of Financial Aid to discuss your individual situation.

- **How can I learn more about federal education tax credits?**

  - The American Opportunity Tax Credit helps to pay expenses in the first four years of post-secondary education.
  - The Lifetime Learning Credit of up to $2,000 is based on qualified tuition and related expenses you pay for yourself, your spouse, or a dependent claimed on your tax return.

  Use Form 8863, attached to Form 1040 or 1040A (available at irs.gov/forms-instructions) to claim these credits; you cannot claim them both in the same year. You will need form 1098-T, available on Wolverine Access by January 31 of each year (wolverineaccess.umich.edu). These tax credits must also be reported on your FAFSA. Details: irs.gov/individuals/education-credits-aotc-ltc.

  To check eligibility for these credits, use this IRS tool: irs.gov/help/ita/am-i-eligible-to-claim-an-education-credit.

FAQs are also available online: finaid.umich.edu/ask-question
When students apply for financial aid, they are considered for the following aid programs except the Federal Direct PLUS Loan, the Federal Direct Grad PLUS Loan, and private loans (students complete separate applications for these, see page 9).

To be eligible for most programs, a student must be a U.S. citizen or an eligible non-citizen as defined by the U.S. Dept. of Education and must be enrolled in a program leading to a degree. For more information, see finaid.umich.edu/getting-started/qualifying-aid.

See pages 10 and 13 for the terms and conditions governing all financial aid programs, including Satisfactory Academic Progress (SAP). The SAP policy applies to all institutional, state, and federal financial aid programs (finaid.umich.edu/managing-your-aid/satisfactory-academic-progress).

| Federal Pell Grant | • Need-based for undergraduates earning first bachelor’s degree  
• Federal Pell Grant eligibility is based, in part, on enrollment at the beginning of a semester. If a student withdraws or receives a non-passing grade, we must confirm that the student attended at least one class session. If you did not attend and withdrew or received a non-passing grade, your Federal Pell funding will be reduced. Note: There is an annual Federal Pell limit. Students enrolled full-time for fall/winter terms will use their annual limit in these terms. Part-time students may have spring/summer eligibility depending upon individual FAFSA data.  
Details: studentaid.gov/understand-aid/types/grants/pell | • Maximums: $6,345 through June 30, 2022 based on need  
• Cannot receive for more than 12 full-time semesters  
• Must be enrolled at least half-time; less than half-time enrollment allowed in certain circumstances (if less than full-time, won’t disburse until after drop/add) |
| Federal Supplemental Educational Opportunity Grant (FSEOG) | • Awarded only to Federal Pell Grant eligible applicants  
• Need-based: Dependent students with Expected Family Contributions (EFCs) of $0 or independent single parents with EFCs of $0  
• Undergraduates, first bachelor’s degree  
• Must complete the financial aid application process by the priority deadline  
• Must be enrolled at least half-time | • Funding amounts vary, based on available funding  
• Cannot receive for more than 12 full-time semesters. |
| Go Blue Grant | • Need-based  
• In-state undergraduates who meet Go Blue Guarantee eligibility requirements and are pursuing their first bachelor’s degree. This grant represents all or a portion of the university’s Go Blue Guarantee commitment, which is comprised of a variety of federal and institutional grant aid  
• Must complete the financial aid application process by the priority deadline  
• Full-time enrollment or approved study abroad | • Funding amount varies based on need and availability of university funds  
• Renewable, but must reapply for aid and meet eligibility criteria each year |
| Iraq and Afghanistan Service Grant | You may be eligible to receive the Iraq and Afghanistan Service Grant if you:  
• are not eligible for a Federal Pell Grant on the basis of your EFC but  
• meet remaining Federal Pell Grant eligibility requirements, and parent/guardian was a member of the U.S. armed forces and died due to military service in Iraq/Afghanistan after 9/11 and  
• were under 24 years old or enrolled in college at least part-time at the time of your parent’s or guardian’s death  
Due to federal sequestration: Grants disbursed on or after Oct. 1, 2020 and before Oct. 1, 2022 will be reduced by 5.7%. | • The grant is equal to the amount of a maximum Federal Pell Grant for the award year but cannot exceed your cost of attendance for that award year. |

1 Borrowers are encouraged to investigate the availability of grants or scholarships through their home states. Michigan residents: see Michigan Competitive Scholarship on page 20. Non-Michigan residents: to find the address of the higher education agency in your state, visit nrs.ed.gov/ and do a state/territory search.

2 COMBINED borrowing maximums for Subsidized and Unsubsidized Federal Direct Loans (see chart, page 23).

3 For deferment provisions, see finaid.umich.edu/types-aid/loans/health-professions-nursing.

4 The U.S. Congress sets new federal student loan interest rates and fees annually, effective July 1 of each year. Loan interest rates are fixed using the rate at the time the loan is disbursed (so a borrower may have differing rates from year to year). Also note that due to federal sequestration legislation, loan origination fees may be adjusted each fall. All rates and fees will be updated on our website, forms, and publications as they are approved.

5 See finaid.umich.edu/managing-your-aid/loan-next-steps/master-promissory-notes for Nursing and Health Professions promissory note and rights and responsibilities information. Note to undergraduate U-M students approaching graduation: If you are enrolled less than full-time during your final term, you may not be eligible to receive the full, annual maximum federal loan limit. Your loan eligibility may be subject to proration. Consult with an aid officer to discuss your specific situation or if you have questions.
