A NEW WORLD OF OPPORTUNITIES

Transferring to U-M can be a big decision and there are many factors to consider, including cost and the financial assistance you receive.

THE BASICS

There are a number of resources available to you, such as private scholarships or loans, if you need to supplement aid from U-M. Our office can help you identify these resources, understand financial aid programs, and assist with budgeting.

- Apply for financial aid as soon as possible. You don’t have to be accepted to U-M before applying.
- You can receive aid each year, but must reapply annually.
- Your financial aid is likely to be similar each year if your family circumstances and available U-M funds do not change.
- Aid is awarded on a rolling, first-come, first-served basis, so be sure to apply by the deadline, especially to be considered for grants.

QUESTIONS & ANSWERS ABOUT FINANCIAL AID AND SCHOLARSHIPS
finaid.umich.edu
WHAT ARE THE TYPES OF AID?

- **Grants:** Funds that are not repaid; based on your financial need. finaid.umich.edu/types-aid/grants
- **Loans:** Funds that must be repaid, with interest, when you are no longer a student. See the loan categories under “Aid Types” at finaid.umich.edu/types-aid/loans.
- **Scholarships:** Funds that are not repaid. Entering students are considered for most U-M scholarships; most are based on need, while others reflect U-M’s commitment to a student body diverse in experience, geography, special talents, and academic achievement. finaid.umich.edu/types-aid/scholarships
- **Work-Study Employment:** Wages received through part-time employment, earning up to the amount awarded. You get a paycheck to apply to your college expenses. finaid.umich.edu/types-aid/federal-work-study-other-jobs

WHAT IS NEED-BASED AID AND CAN I GET IT?

We review finances for you and your family to determine if you have need. We consider:

- Cost of Attendance, which refers to the estimated cost to attend U-M for fall and winter semesters.
- Expected Family Contribution (EFC)*, which is the amount that you and your family are expected to pay toward educational expenses.

HERE IS HOW WE CALCULATE NEED:

\[
\text{Cost of Attendance (budget)} - \text{Expected Family Contribution (EFC)*} - \text{Other aid or resources (such as private scholarships)} = \text{Your need for aid}
\]

Use the U-M Net Price Calculator to incorporate more information and help calculate your Cost of Attendance.

* U-M uses information from the Free Application for Federal Student Aid (FAFSA) and the CSS Profile to determine your EFC. The FAFSA determines eligibility for money from the federal and state governments and the Profile eligibility for money from the university.

WHO IS ELIGIBLE FOR AID?

- You must be a U.S. citizen or eligible noncitizen and enrolled in a degree program.

WHAT DOES IT COST TO ATTEND U-M?

- Use the U-M Net Price Calculator to find your bottom line: npc.collegeboard.org/student/app/umich

**U-M COST OF ATTENDANCE**

Cost of Attendance is based on estimated student budgets of tuition/fees, housing/meals, books/supplies, and personal/miscellaneous expenses assuming full-time attendance for fall and winter semesters. Financial aid helps to pay for these college costs.
