

# EDUCATIONAL EXPENSES WORKSHEET 2024–2025

Fall-only submissions must be received by **Dec. 1**

Fall/winter and winter-only submissions must be received by **April 1**

The Educational Expenses Worksheet is a form you can complete if you wish to request an adjustment to your financial aid budget because your educational expenses are higher than the standard allowances (see standard allowance amounts at [finaid.umich.edu/cost](http://finaid.umich.edu/cost)). If, after reviewing your worksheet, our office decides that an increase in aid is appropriate to cover your expenses, you will be given an increase in **educational loans**. Because loans must be repaid (with interest) when you graduate or withdraw from school, we encourage you to consider working or modifying your budget, if possible, rather than increasing your educational borrowing.

Student's name: Last

First

M.I.

U-M ID number (eight digits)

→ **Check the time period for which this worksheet applies:**

Fall/winter terms (eight months)

Fall term only (four months)

- Spring/summer requests are not typically considered. If you have special needs over spring/summer, please speak with the Office of Financial Aid directly.

**Please note:**

- Costs must be incurred during the enrollment period.
- Expenses listed may be for the student ONLY (not for your spouse/children) unless otherwise noted.

→ **Would you like the Office of Financial Aid to increase your federal student loans based on this review?**      **Yes**      **No**

**Please note:**

- If your loans are already at maximum levels, it is your responsibility to seek out other assistance options such as supplemental borrowing through private or Federal PLUS loans.
- If you would like to increase a PLUS loan based on this budget adjustment, please talk with a financial aid advisor.
