

GUIDE TO COMPLETING PRIVATE SCHOLARSHIPS

**START
HERE**

BRAINSTORM BEFORE RESEARCHING SCHOLARSHIPS

Create a comprehensive list of your accomplishments.

- Sports, clubs, babysitting, church, leadership, work experience, family care, etc.

Answer the following common scholarship questions:

- Tell us about yourself.
- Describe a time you overcame adversity.
- What do you plan to study in college? Why?
- What makes you unique?
- Describe how you have demonstrated leadership ability in your community.

**NEXT
STEPS**

BE THOROUGH DURING THE SEARCH

- Find FREE scholarship search services. (See p. 2)
- Seek out community resources, including community foundations, community groups, cultural organizations, employers, places of worship, and high school counselors.
- Pay attention to qualifications and requirements (EVERY scholarship is different).
- Make a list of scholarships you will apply for.
- Prioritize your list by deadline.
- Add details of all materials required for submission.

**ALMOST
DONE**

COMPLETE YOUR APPLICATIONS

- Work on ONE scholarship at a time.
- Reread specifications of the essay.
- Create an outline using your brainstorm topics.
- SHOW the reader; don't just TELL them
- Use SPECIFIC examples.
- Write multiple drafts. NEVER submit a first draft essay.
- Proofread! Proofread! Proofread! Have a trusted adult or a peer read over your final draft prior to submission.

TIME TO SUBMIT!

- Make sure your application has ALL required documents.
- Double check that your essay answered ALL prompts given.
- Make a copy! Always keep a record of your submissions.

HOW TO KEEP YOUR SCHOLARSHIP

Some scholarships may be renewable. However, renewable scholarships might have ongoing requirements, including:

- **Submit a renewal application.** Scholarships may require a new application each academic year.
- **Grade point average.** You may need to maintain a minimum GPA to remain eligible.
- **Satisfactory academic progress.** You may be required to fulfill academic requirements, such as completing a certain number of credits or courses within a set amount of time.
- **Designated field of study.** Will you lose the scholarship if you change majors?
- **Full-time enrollment status.** Scholarships frequently require you to be a full-time student.

Talk to your school or scholarship sponsor as soon as you receive the scholarship to determine whether it is renewable and what renewal steps to take. Remember that sponsors offer scholarships throughout the year!
