Your spring/summer Financial Aid Notice lists the financial aid you are being offered for the 2021 spring, 2021 summer or combined spring/summer terms. Please read the information here and on your Notice to understand your aid offer.

**Note:** When you are awarded financial aid, it is assumed that you will read and understand your rights and responsibilities, as specified here and in Required Reading (available at finaid.umich.edu/publications).

**Steps to accessing your Notice**

Once you’ve been notified that you have a spring/summer notice, log in to the Student Business section of Wolverine Access. Your Notice contains details about your available financial aid for 2021 spring/summer.

- Select Student Center > Financial Aid > Aid Year 2021. Your Financial Aid Award Summary for Aid Year 2020-2021 will open.

- To see your awards for spring/summer term, look for the blue hyperlink entitled View Spring-Summer and click on it. This will open your spring/summer notice.

- If you want to view/print a pdf of your spring/summer Award Notice, go to the Award Notices tab and choose the most recent spring/summer award notice.

We encourage students to consider employment and lifestyle changes and to borrow only what is necessary to achieve the goal of a U-M college education.

Visit finaid.umich.edu/smartborrowing for information or call 734-763-6600 and speak to a counselor.
Entering students with a Friend account

Log in to the New & Prospective Student Business section of Wolverine Access and select New & Prospective Student Center > View Financial Aid Award Summary. To view/print your Award Notice, select View Financial Aid Award Notices and choose the current Award Notice.

- We assume you accept all financial aid that you do not decline. If you want to decline or reduce an award, select Accept/Decline from the Awards tab. You may decline any portion of your offer, including loans, without changing the aid you are accepting. If you have received federal loans in previous terms, your spring/summer loan will disburse unless you decline it. Notify our office that you are receiving additional aid awards (i.e., scholarships, departmental aid, fellowships, Michigan Education Trust, ROTC scholarships, veteran benefits, etc.) that are not listed on your Notice by selecting View/Report Additional Aid from the Awards tab.

- If your name, U-M ID, and/or Residency are not correct on your Notice, notify the Registrar's Office as soon as possible. If your address is incorrect, you must change it in Wolverine Access. If your Grade Level and/or Career are incorrect, contact the Registrar's Office.

- If you wish to authorize your parents to discuss your financial aid application and notices with our office, you must authorize your parent(s) using the U-M Parent/Family Authorization found on Wolverine Access (Student Center > Financials > UM Parent/Family Authorization).

- Check your email and the Documents/Review page of the Financial Aid section of Wolverine Access. Respond immediately to any additional requests for information. Note: Our office cannot make copies of your documents (you must make copies before you submit them).

- If any of your aid is adjusted, you will be notified by email that you have a revised Notice available on Wolverine Access.

- Complete/sign all applicable loan promissory notes.

IMPORTANT NOTES ABOUT LOANS

- If you do not have a Federal Student Aid ID (FSA ID) from the federal processor, request one at fsaid.ed.gov. This will allow you to complete an online Direct Loan promissory note and review important information about your federal loan accounts online.

- If you are receiving Direct Loan funds at U-M for the first time, you must complete a Direct Loan Master Promissory Note (MPN) and Direct Loan entrance counseling at StudentAid.gov in order to receive your funds. If you have previously signed a Direct Loan MPN at U-M and you have accepted a loan within the past 12 months, do not sign another MPN. Visit finaid.umich.edu/MPN.

- To complete Health Professions or Nursing MPN, visit Wolverine Access (wolverineaccess.umich.edu).

- For important information about enrollment levels and other terms of your aid offer, see page 3 or visit finaid.umich.edu/terms.

ADDITIONAL BORROWING OPTIONS

Once you have explored your Federal Loan eligibility, you may wish to look at additional borrowing options. Visit finaid.umich.edu/PLUS and finaid.umich.edu/privateloans for information.
Enrollment level and how aid is awarded
- Aid for the spring/summer is awarded based upon your enrollment at the time we issued your aid notification.
- We will monitor your level of enrollment throughout the spring/summer and encourage you to speak with our office before making an enrollment change. Changes often result in the reduction or cancellation of previously offered aid, even after funds have been disbursed to your UM billing account or released to you.
- You must be registered for classes at least half-time in for-credit classes in order to receive any financial aid.
- Please note that less-than-half-time enrollment may result in very limited aid eligibility and may affect future aid eligibility and satisfactory academic progress (see finaid.umich.edu/SAP).
- Being on a waiting list for a class does not count as being enrolled.

Before you can receive your funds
1. You must have completed/signed your Direct Loan Master Promissory Note and completed Direct Loan entrance, if applicable (see page 2).
2. You must be registered at least half-time and you must attend classes for the term.

How funds are paid
GRANT AND LOAN FUNDS:
- Grant and loan funds are applied directly to charges on your university account for tuition, fees, and university housing.
- If you receive a refund (because you have aid that exceeds your account charges), it will be sent to you either as a direct deposit in your bank account or as a check mailed to your current (local) address. See the address alert on page 4.
- We require written notification if you receive a refund for a loan and you do not want the funds. Not cashing the check will not cancel the loan. Here are your options:
  - Return your uncashed check to us with a note of explanation.
  - If you have already cashed the check or received funds via direct deposit, provide our office with a written request to reduce your loan to the desired amount. Once the loan has been removed from your Student Account you can then make an ePayment through Wolverine Access, or write a check payable to “University of Michigan.” Please see Student Financial Services website (www.sfo.umich.edu) for more information about making payments to your Student Account.
- If you would like to receive direct deposit, select Direct Deposit from within Wolverine Access. Allow two business days for direct deposit to be processed and take effect.

FEDERAL WORK-STUDY:
- You must be enrolled at least half-time to be eligible.
- Students must have Federal Work-Study listed as an award on their spring/summer Notice to be eligible to apply for Work-Study jobs. (fall/winter Federal Work-Study awards may not be used.)
- To earn Federal Work-Study funds, students work for eligible employers and earn wages up to the amount awarded. These wages are not applied to your student account. You will receive a paycheck.
- Spring/summer Federal Work-Study jobs are posted on the web at studentemployment.umich.edu.
- Contact employers directly for interviews and show the employer a copy of your Notice and proof that you are enrolled at least half-time.

Direct deposit
- Select Direct Deposit from your self-service menu in Wolverine Access. Allow up to two business days for it to be processed.
- The direct deposit authorization will cover all funds paid to you — financial aid and university employment wages (including Federal Work-Study).
- This authorization remains in effect until you cancel it. To do this, complete a Direct Deposit Authorization Form (finops.umich.edu/ payroll/forms/directdepositauthorizationform) and submit it to the Payroll Office.
