Do you have VA educational benefits?

IMPORTANT STEPS TO RECEIVE YOUR FINANCIAL AID

- 1. Fill out your FAFSA and CSS Profile.** Deadlines differ by term, visit finaid.umich.edu/apply-aid/new-undergraduates/deadlines to learn more.
- 2. Will you be an undergraduate student receiving veterans benefits? Complete the Veterans Educational Benefits Questionnaire (see p. 2) through the U-M Office of Financial Aid.**
 - Students may choose if and when they use their benefits. If you use your benefits, they will not impact your eligibility for federal need-based financial aid.
 - To ensure that U-M students with comparable financial circumstances are treated equitably with respect to university need-based aid, the U-M Office of Financial Aid takes into account veterans' benefits for tuition and books when determining eligibility for institutional grant funds.
 - If you apply for financial aid and you wish to be considered for university grants and scholarships, you will be asked to supply information about veterans' educational benefits you elect to receive.
 - If you already have an award from the Office of Financial Aid and have not submitted your Veterans Educational Benefit Questionnaire, you may not be entitled to all the aid you have received. **Please contact us immediately.**
- 3. Certify your VA benefits with the Certification office at 734-763-9066.**
- 4. Review your financial aid package.**
 - You will be notified via email when your financial aid notice is available to view in Wolverine Access.
 - Please let us know if you have any special circumstances.
 - Additionally, we offer a child care subsidy.
