## A WORKSHEET TO HELP YOU TRACK YOUR COLLEGE LOANS

The U.S. Department of Education has multiple servicing companies to handle federal loans for students. The department will assign a loan servicer after your loan is disbursed, or paid. This servicing company handles all billing, repayment plans and loan consolidation and can assist in anything related to your federal student loan. For a complete loan history and your personal loan servicer information, visit the National Student Loan Data System at [https://nsldsfa.ed.gov/nslds\\_FAP/](https://nsldsfa.ed.gov/nslds_FAP/) (*Federal Student Aid ID (FSA ID) required*).

**Contact your servicer(s) if your phone number, address or email changes or if you have trouble making a payment.**
