Non-enrolled students in doctoral programs may be eligible for University of Michigan Child Care Subsidy funds, if they are actively pursuing research or completing a dissertation, and their academic pursuits equate to at least half-time enrollment. This form must be completed by non-enrolled students to document their academic activities and determine their eligibility for the Child Care Subsidy. The other acceptable non-enrollment status is Detached Study, which must be officially recorded by your academic unit and the Office of the Registrar.

- **Note:** The estimated cost of attendance (budget) for non-enrolled students who qualify for the Child Care Subsidy will not include tuition and fees.

- After completing this form, please submit it to the Office of Financial Aid, at the address listed at the top of the page.
