YOUR TOTAL CREDIT HOUR ENROLLMENT IS CRUCIAL TO YOUR AID ELIGIBILITY.

- Entering students are awarded based upon assumed full-time enrollment, and aid will be adjusted as necessary following actual course registration.
- Continuing students are awarded based upon their actual enrollment at the time of packaging.
- We will monitor your level of enrollment throughout the spring-summer enrollment period. Changes in enrollment often result in the reduction or cancellation of previously offered aid, even after funds have been disbursed.
- You must be registered for classes **at least half-time** in for-credit classes in order to receive any financial aid.
- **Please note:** less than half-time enrollment will result in less aid eligibility and may affect future aid eligibility and Satisfactory Academic Progress (see finaid.umich.edu/sap).
- Being on a waiting list for a class **does not count** as being enrolled.
- Dropping summer courses could impact your enrollment level and your eligibility for spring aid, even after it is already paid. Contact our office for questions about how your enrollment may impact your aid.
- You must attend classes for the term. Enrollment isn't enough to retain your spring/summer aid. Classes that are not attended will not count toward your minimum enrollment requirements.

Credit Requirements*

Undergraduate Students

- **12 credit hours:** full-time aid consideration
- **6 credit hours:** part-time aid consideration
- **1-5 credit hours:** ineligible for financial aid consideration

Graduate Students

- **8 credit hours:** full-time aid consideration

Before you can receive your funds

You must have completed/signed your Direct Loan Master Promissory Note and completed Direct Loan entrance, if applicable (left column).

How funds are paid

Grant and Loan Funds:

- Grant and loan funds are applied directly to charges on your university account for tuition, fees, and university housing.
- If you receive a refund (because you have aid that exceeds your account charges), it will be sent to you either as a direct deposit in your bank account or as a check mailed to your current (local) address. See the address alert on page 4.
- Establish direct deposit to avoid delays in receiving funding.
 - If you would like to receive direct deposit, select Direct Deposit from within Wolverine Access. Allow two business days for direct deposit to be processed and take effect.

Required Reading 2022-2023

- We require written notification if you receive a refund for a loan and you do not want the funds. Not cashing the check will not cancel the loan. Here are your options:
- Return your uncashed check to us with a note of explanation.
 - If you have already cashed the check or received funds via direct deposit, provide our office with a written request to reduce your loan to the desired amount. Once the loan has been removed from your Student Account, you can then make an ePayment through Wolverine Access, or write a check payable to "University of Michigan." Please see Student Financial Services website (sfo.umich.edu) for more information about making payments to your Student Account.

Federal Work-Study:

- You must be enrolled at least half-time to be eligible.
- Students must have Federal Work-Study listed as an award on their spring/summer Notice to be eligible to apply for Work-Study jobs. (Fall/winter Federal Work-Study awards may not be used.)
- To earn Federal Work-Study funds, students work for eligible employers and earn wages up to the amount awarded. These wages are not applied to your student account. You will receive a paycheck.
- Spring/summer Federal Work-Study jobs are posted on the web at studentemployment.umich.edu.
- Students must apply for, and be hired into, a Work-Study position. Each job posting will list the specific instructions on how to apply.

IMPORTANT NOTES ABOUT LOANS

- If you do not have a Federal Student Aid ID (FSA ID) from the federal processor, request one at fsaid.ed.gov. This will allow you to complete an online Direct Loan promissory note and review important information about your federal loan accounts online.
- If you are receiving Direct Loan funds at U-M for the first time, you must complete a Direct Loan Master Promissory Note (MPN) and Direct Loan entrance counseling at studentaid.gov/mpn in order to receive your funds. If you have previously signed a Direct Loan MPN at U-M and you have accepted a loan within the past 12 months, do not sign another MPN. Visit finaid.umich.edu/mpn.
- To complete a Health Professions or Nursing MPN, visit Wolverine Access wolverineaccess.umich.edu.
- For important information about enrollment levels and other terms of your aid offer, see page 3 or visit finaid.umich.edu/managing-your-aid/understanding-your-offer/terms-conditions.
- Once you have explored your Federal Loan eligibility, you may wish to look at additional borrowing options. Visit finaid.umich.edu/plus and finaid.umich.edu/privateloans for information.

IMPORTANT: EMAIL ADDRESS & MAILING ALERT

Check your university email account during the spring/summer term for important messages from our office, such as revised aid notifications. Also be sure to update your mailing address on Wolverine Access. If our office sends mail regarding your spring/summer aid, we will send it to your current (local) address, as listed on Wolverine Access.
